Professional Summary

A recent Computer Science graduate with hands-on experience in web development, eager to contribute technical skills and creativity to a dynamic team. Skilled in PHP, Python, HTML, and CSS, with a passion for building responsive and user-friendly websites.

Skill Highlights

- Web Development
- Creative Design
- Problem Solving
- Team Collaboration
- Fast Learner
- Attention to Detail

Technical Skills

- PHP – for dynamic web applications and backend development
- Python – for scripting, automation, and data processing
- HTML/CSS – for responsive and structured web design
- JavaScript – for dynamic UI interactivity

- React.js – for building modern, component-based UIs
- MERN Stack (MongoDB, Express, React, Node.js) – for full-stack web app development
- Git & GitHub – for version control and collaboration
- SQL – for database management and queries

Experience

Worked on several website projects during academic studies, applying web development skills to create responsive and visually appealing websites. Gained hands-on experience in front-end development with a focus on user experience and functionality.

Education

Bachelor of Science in Computer Science

St. Mary University, Addis Ababa, Ethiopia

2021 – 2025 (Completed)

Certifications

- Introduction to Cyber Security – Great Learning Academy
- Introduction to Cybercrime – Simplilearn | SkillUp

Languages

- English
- Amharic
